August, 2012

Dear Teaneck Resident:

The Teaneck Senior Services Center is pleased to announce the **Fall 2012 Class Line Up** offered to men and women 55 years and over at the Richard Rodda Community Center. Please review the enclosed Class Line Up and indicate below which classes you would like to register for.

All Classes are free for Teaneck Residents. Mail-in registration begins on August 20, 2012. *Mail received postmarked prior to this date will be returned unprocessed.* Priority will be given to those who respond by August 27, 2012. Pre-Registration is mandatory for participating in all Center Programs.

New/First time Participants are required to: a) Contact the Administrative Office for additional program information prior to registering for any classes. b) Present in person proof of identification and current proof of residency.

Non-Residents are welcome to register in our program, if openings are available, for a nominal fee. Registration is on September 5th between the hours of 10:00 a.m. and 2:00 p.m.

Please note that prior participation does not guarantee space in the new session. Classes are filled on a first come first served basis, therefore please do not delay. *Due to the high demand for exercise classes, participation may be limited to three classes this session. Please list exercise classes in priority order. A current Medical Release form must be submitted.*

Please arrive in the program areas no earlier than 15 minutes before the scheduled class time. Also note that there are no make-up classes offered.

All Registration forms along with proof of residency must be returned by mail.

- **Please return this form, however, keep the Class Line Up as a guide.**
- **Enclose proof of residency** (such as a current utility bill or tax bill)

*Due to the high volume of incoming mail for the Recreation Department, we ask that you mail this form to the attention of the **Senior Services Center**.*
Thank you for expressing interest in our program. It is a pleasure to serve you.

Please return to: **Richard Rodda Community Center**
